

**Meriter Hospital and Health Services, Madison, WI –
CPE Supervisor/Senior Staff Chaplain**

We are looking for an ACPE Supervisor (Full or Associate) to provide CPE Supervision Level I/II for our Residency Program, 6 Month Extended Intern Units, and Summer Intensive Intern Program. The CPE Supervisor/Senior Staff Chaplain assists in the management and supervision of the Meriter Hospital Clinical Pastoral Education Program and provides spiritual care and pastoral support to patients, families, and staff of Meriter Hospital. S/he provides assistance to the Director in the leadership of the department, assists in the selection and supervision of residents and interns of the Clinical Pastoral Education program, functions as the Senior Staff Chaplain, and represents the Department on various hospital committees.

The Meriter Hospital CPE Program is a highly developed and integrated program of spiritual care for patients, families, and staff in this 458 bed community based hospital. Meriter Hospital has a full complement of clinical services with COE's in cardiac, women's health, ortho/spine, with clinical services in oncology, psychiatry, and general medical/surgical care.

Associated with the Meriter Hospital Department of Spiritual Care is the 120 member Association of Spiritual Caregivers which links community clergy and spiritual caregivers with the Department of Spiritual Care for clergy/spiritual caregiver education and development.

The Department delivers 24/7 spiritual care through 24 Night Chaplains coordinated by this position with monthly education/training.

Qualifications: Full ACPE Supervisor (or Associate Supervisor) credential, ordination with ecclesiastical endorsement, and CPE Program administration and supervision of Accredited ACPE Programs. Association of Professional Chaplains Board Certification and advanced degree preferred.

Meriter is proud to offer a full benefit package (medical, dental, vision, pension, 401(k) with employer match, and more), in addition to a competitive salary commensurate with experience, and housing allowance for ordained clergy.

Meriter Hospital is a not-for-profit, 458-bed hospital that provides care in all major medical specialties. We are proud to be an independent, locally directed community hospital. Meriter Hospital is located in Madison, Wisconsin. Madison is a progressive, cosmopolitan city of over 200,000, home to the world-class University of Wisconsin, the seat of state government, and an eclectic, electric atmosphere. Madison offers both small town charm and a range of cultural and recreational opportunities usually found in much larger cities.
